

Welcoming visitors and contractors to our communities

Visitor guidelines for Community Options

ENTRY RESTRICTIONS APPLY

WA public health and social measures have eased from 29 April 2022

- **Visiting hours for Community Options:**
 - 8.00am – 8.00pm
 - There is a daily maximum of four visitors per client
- Bookings prior to visits are required and should be made through Zipline:
 - <https://scrosswa.zipline.app/welcome>
 - Please plan your visit ahead of time.
 - If you are unable to book online, please call the on-site staff.

All visitors must comply with the following safeguarding measures when arriving:

- Please sanitise your hands upon arrival;
- Sign in and out using Zipline;
- Submit evidence of your negative RAT or proof of contracting COVID within the past 12 weeks (e.g. doctor's letter, WA Health notification);
- All visitors are required to wear a disposable surgical-grade or N95 facemask;
- Visitors must have their body temperature taken on Zipline to ensure it is below 37.5 degrees Celsius;
- Please do not visit if you are feeling unwell. Virtual or telephone visits can be arranged;
- All visitors need to show proof of up-to-date COVID-19 vaccination and 2022 winter flu vaccination; and,
- Please comply by following any instructions from staff members.

www.scrosswa.org.au/covid-19/

Please comply with safety protocols at Community Options

- **Negative rapid antigen test (RAT) required prior to entry**
- **Visitors to Community Options are limited daily to 4 people per client**

Book your visit ahead:

If you have tested positive or are a close contact

After you have completed your seven days isolation, you should not visit a high-risk site for a further seven days.

Phone the COVID information line on 1326843

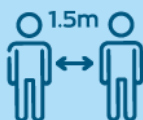

Check wa.gov.au for the latest information.

Have you had your Winter booster COVID vaccine (higher risk groups)

Get your winter flu vaccination

Practice social distancing

Wear a facemask at aged care facilities

Practice good hand hygiene

Roll up for WA

COVID-19 Vaccination
