

Welcoming visitors and contractors to our respite centres

Safe visiting guidelines for our metropolitan respite centres

Information current as at 29 April 2022

FURTHER EASING OF LEVEL 1 RESTRICTIONS

The following apply until further notice

Our Donovan House and Tony Quinlan respite centres continue with the usual program of services. Everyone who enters a Southern Plus respite centre is required to complete COVID-19 screening declarations upon arrival:

- If you experience any of the following, you will not be able to enter our respite centres:
 - Fever or symptoms (cough, sore throat, fever, loss of taste or smell, headache, shortness of breath);
 - Have received health advice to isolate; or,
 - Have been a close contact with a confirmed case of coronavirus in the past 7 days and are yet to complete the further 7 days before entering a health service.
- Disposable surgical-grade or N95 facemasks are mandatory for all visitors, contractors, staff, and volunteers in our respite centres.
- Submit evidence of your negative RAT or proof of contracting COVID within the last 12 weeks (e.g. doctor's letter, WA Health notification);
- Clients who wish to stay overnight must return a negative rapid antigen test (RAT) upon arrival.

Please comply with safety protocols at SCC respite centres

All visitors need to show valid proof of 2022 winter flu and COVID vaccinations.

Book your visit ahead:

If you have tested positive or are a close contact

After you have completed your seven days isolation, you should not visit a high-risk site for a further seven days.

Phone the COVID information line on 1326843
