

Support at Home Price List

Effective from 1 September 2026

Services

Support at Home funding helps you access the services you need to remain independent, safe and comfortable in your own home. We understand that everyone's needs are different. That's why we work with you to tailor services and support that align with your goals, preferences and circumstances. This price list outlines the services available through the Australian Government's Support at Home Program and the fees that may apply.

Prices for Brokered services may vary based on the cost of your preferred Associated Provider for the service requested.

Support at Home Price List

Effective from 1 September 2026

Assistive Technology and Home Modifications

Assistive Technology and Home Modification purchases are individually assessed and quoted. Administration and coordination fees may apply and will be discussed with you before any purchase or works proceed.

Service type	Service Time	Hourly Rate
Assistive Technology Prescription and Clinical Support	1 Hour	\$ 160.00

For Home modifications, a provider coordination fee of up to 15% applies.

Care Management

All Support at Home participants have funding allocated for Care Management as part of the program.

At Southern Cross Care, your Care Manager will help coordinate your services and support your ongoing care needs. They will work with you to develop and review your support plan, organise services, monitor your wellbeing, provide information about available supports, and assist if your circumstances change.

The Australian Government allocates 10% of each participant's quarterly Support at Home budget to Care Management.

Service type	Service Time	Hourly Rate
Care Management	1 Hour	\$ 169.85
Restorative Care Management	1 Hour	\$ 189.80

Client Contributions

Client contribution may apply. The amount payable is determined by Services Australia based on your income and assets assessment.

From 1 October 2026, personal care will move from the 'independence' category to the 'clinical supports' category under Support at Home.

This change means participants who have the personal care service type approved in their support plan, and have available Support at Home funding, can receive personal care services at no out-of-pocket cost.

Support at Home Price List

Service Cancellations

Services cancelled with less than 24 hours' notice, or where a worker attends and is unable to deliver the service, may be charged in accordance with Support at Home guidelines.

Where services are provided by an external supplier, that supplier's cancellation terms may also apply.

Important Information

1. Southern Cross Care WA may review fees and charges from time to time. All prices are GST-free unless otherwise stated. Brokered services and supplied goods may incur GST.
2. Depending on your individual circumstance, you may be required to pay a co-contribution towards some of your care. Services Australia will advise you and SCCWA of your co-contribution, which SCCWA will be required to collect.

Prices are current at the date of publication and may be reviewed from time to time in response to changes to program requirements, workforce costs or operational expenses.
